Bring your Family – Lots to do and see!

According to Reston Hyatt the Reston Town Center, the first suburban downtown, combines elements of the ideal downtown: the vitality of an Italian piazza and the diversity of a French boulevard. Easy to access stores make shopping a year-round pleasure. You’ll discover famous names and specialty shops lining the brick streets. Year round events make Reston Town Center the focal point of the community and Northern Virginia’s “downtown.” Reston Town Center features 45 stores, 18 restaurants, a 13-screen multiplex and seasonal ice rink. It is close to the National Air and Space Museum, Monuments, Tyson’s Shopping Center and all the historical sites of Washington DC.
